

# BAY AREA COMMUNITY SERVICE GROUP WANTS YOU TO KNOW.... **WHAT IS BACSG?**

**When's the next CoDA Miniconference?**

**What's "H&I" work?**

**How can we get literature fast?**

**What new meetings have started lately?**

BACSG is where you can learn all this - and more. The Bay Area Community Service Group represents the collective group conscience of all local CoDA meetings. If your meeting doesn't have a group service representative (GSR) going to the BACSG meeting once a month, you have to rely on secondhand news about important CoDA issues - and CoDA as a whole is deprived of your meeting's voice.

## **DOES YOUR MEETING HAVE A GSR?**

"Group Service Representative (GSR): The GSR is very valuable to the meeting because they carry the 'grassroots' group conscience to the [local Intergroup meetings]... [The GSR] belongs to a CoDA group and has an interest in doing local Some consider it a way of practicing and demonstrating responsibility and accountability to self and to others, while working a program of recovery and remaining open to Higher Power's will." (from CoDA World Fellowship at <http://coda.org>)

Everyone is welcome at our monthly meetings, from GSRs to CoDA newcomers. BACSG meetings are the second Sunday of every month, 10 am, at Summit Hospital: [3100 Summit Street in Oakland](#). From the main entrance of Providence Pavilion, take the first hallway on the left, which ends at our meeting in the Medical Staff Lounge. For more information about your local Intergroup, check out [www.sfbaycoda.org](http://www.sfbaycoda.org).
